

Dear Sir/ Madame,

This is a recommendation letter for Thea Haudrum Modigh.

Thea and I have been working together in WS Audiology since December 2020.

I thoroughly enjoyed my time working with Thea and came to know her as a truly valuable asset to our team. She is an incredible fast learner, reliable, and hardworking. Beyond that, Thea has great analytical skills who helped her in solving challenging tasks effortlessly.

Her knowledge and expertise were a huge advantage to our entire department and Thea put this skillset to work and help the team to achieve deadlines always on time.

Thea knows the importance of an open discussion and along with her technical mindset, Thea's great communication skills and positive attitude can make nearly any work seem fun and bring the best out of other colleagues.

Without a doubt, I confidently recommend Thea to join you. As a dedicated and knowledgeable team player and an all-around great person, I know that she will be great for any challenge ahead.

Please feel free to contact me at +45 40 42 71 22 if you want to discuss Thea's qualifications and experience further. I'd be happy to expand on my recommendation.

Best regards,

Riccardo Balzarotti
